WARNING! Combustible liquid and vapor. Vapor harmful. May cause eye, skin, nose and throat irritation and may affect the central nervous system causing dizziness, headache or nausea. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

3M™ Performance Finish provides a durable, long-lasting, high-gloss finish with exceptional water beading qualities on all types of OEM painted vehicle surfaces: cars, trucks, motorcycles and snowmobiles. These characteristics coupled with easy application and removal qualities make 3M™ Performance Finish an exceptional product that is extremely easy to use. Apply Performance Finish as a replacement product for waxes, sealants or polishes.

Directions For Use:

Wash and dry vehicle. Do not apply in direct sunlight or onto a hot surface.

Hand:

1. **Gently** apply a thin, uniform film to the paint surface using a terry cloth wax applicator or a clean, soft, folded, cotton terry cloth towel. Allow to dry to a haze.
2. Remove residue and buff to a high gloss using a 3M™ Perfect-It™ Show Car Detailing Cloth, PN 39016.

Random Orbital Polisher:

1. Apply a thin uniform film to the paint surface using a random orbital polisher equipped with a clean, soft, terry cloth bonnet or a DA equipped with a soft foam pad. Allow to dry to a haze.
2. Buff to a high gloss with the polisher equipped with a clean, dry, terry cloth bonnet or by hand using a detailing cloth.

PROTECT FROM FREEZING

Contains: Water (7732-18-5); Decamethylcyclopentasiloxane (541-02-6); Dodecamethylcyclohexasiloxane (540-97-6); Hydrotreated Heavy Naphtha –Petroleum (64742-48-9); Aluminum Silicate Clay (66402-68-4); Heavy Hydrodesulfurized Naphtha Petroleum (64742-82-1); Isopropyl alcohol (67-63-0); Stoddard Solvent (8052-41-3); Siloxane (71750-80-6).

VOC REGULATED MATERIAL: VOC equal to or less than 15%. Please consult State and Local Regulations.

Precautions: Keep away from heat and flame. Use only with adequate ventilation. Avoid eye and skin contact. Avoid breathing vapors. Do not ingest. Wash thoroughly after handling. Close container after each use.

KEEP OUT OF REACH OF CHILDREN.

Suggested First Aid: **Eye Contact:** Flush eyes with large amounts of water. If signs/symptoms persist, get medical attention. **Skin Contact:** Remove contaminated clothing and shoes. Immediately flush skin with large amounts of water. Get medical attention. Wash contaminated clothing and clean shoes before reuse. **Inhalation:** Remove person to fresh air. If signs/symptoms develop, get medical attention. **If Swallowed:** Do not induce vomiting unless instructed to do so by medical personnel. Give victim two glasses of water. Never give anything by mouth to an unconscious person. Get immediate medical attention.
