5900-5	MAXX SOLV WAX & GREASE REMOVER	5 GALLON
5900-53	MAXX SOLV WAX & GREASE REMOVER	53 GALLON

DESCRIPTION:

#5900 is a wax and grease remover that will remove dust and sanding sledge, rubbing compound, and fingerprints. Produces a clean substrate for painting. Will not dull lacquer or enamel finishes.

APPLICATION:

When applying these products, solvent or water based, use clean cloth or paper towels, wet the surface thoroughly and dry completely with clean cloths/towels. Continue swapping out old cloths/towels as needed to ensure a clean and dry surface.

How to use:

1. Thoroughly wet the surface to be cleaned using a saturated clean towel or a mist bottle.
2. Do not allow cleaner to evaporate on surface.
3. Dry surface completely while continually changing out dirty towels for clean ones. If any areas evaporate before you can wipe them, reapply cleaner and repeat the process.

TYPICAL PROPERTIES

Part: Product Name:

5900 Wax & Grease Remover

TOTAL VOC:	6.34 lbs./gal (760 g/L).
REGULATORY VOC:	6.34 lbs./gal (760 g/L).
