

5 STAR ADVANTAGE® AUTOBODY PRODUCTS

TECHNICAL DATA INFORMATION

DATED: JUNE 2020

PRODUCT NUMBER DESCRIPTION

3302 MP (MULTI-PURPOSE) GUN CLEANER Aerosol 15 fl. oz
FOR SOLVENT & WATERBORNE COATINGS
***supersedes 5STX #5953 & ADV #3301**

DESCRIPTION:

#3302 is a heavy-duty cleaner that quickly removes solvent-based and waterborne coatings from spray equipment. **#3302** is great for also removing grease, adhesives, dirt, grime, and paint overspray. Multi-Purpose cleaner minimizes products needed in shop!

UNIQUE FEATURES:

NEW SPRAY TECHNOLOGY - INVERT CAN (NOT GUN) TO CLEAN

One easy *Quick Clean* step! Save time and product with our revolutionary system.

- *Innovative assembly inverts can for cleaning paint guns!*
- Removes adhesives, grease, solvent-based and waterborne paint overspray from external paint gun and internal metal surfaces along with fisheye-causing contaminants.
- Does not contain chlorinated solvents. 100% virgin solvent formula.
- Quick action formulation.
- Safe for waterborne shops.
- 50 state compliant - when product is injected directly into spray gun.
Not atomized.

SUITABLE SUBSTRATES

- Spray equipment; paint guns
- Aerosol spray tips, glass, bare metal

TYPICAL PROPERTIES

Part:	Product Name:	Color:
-------	---------------	--------

Container:		
------------	--	--

3302	MP Gun Cleaner 15 fl oz. Aerosol	Clear/Opaque
------	-------------------------------------	--------------

VOC: 3.77 #/gal 451.5 g/L

#3302 is conditionally exempt per SCAQMD rule 1171. Check local regulations

for VOC limits and exemptions.

GENERAL APPLICATION - SURFACES

Apply **#3302** liberally to a clean, soft, lint-free cloth and wipe surface to be cleaned. Clean equipment as soon as possible following application.

DO NOT leave solvent cloth on plastic or painted surface.

Note:

MP Gun Cleaner is not recommended for use on plastic or painted surfaces as it may soften and discolor the substrate.

SPRAY GUNS

WHILE SQUEEZING THE TRIGGER of the paint spray gun, position the **#3302** can upside down while compressing the can into the fluid intake orifice of a paint spray gun. A steady (sealed) stream of cleaner and paint should emit from the paint gun nozzle.

AEROSOL SPRAY TIPS

For cleaning clogged tips, remove spray button with a twisting motion and gently attach clogged tip to **#3302**. Since an "upside down valve" is used in our **MP Gun Cleaner**, the can must be inverted to insure product flow through the aerosol spray tip once depressed. Do not stick a pin or other object into can. Gently replace cleaned spray tip to the top of can with spray button pointed away from you.

STORAGE:

#3302 should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life is 5 years when stored under normal conditions.

Scan to see how to invert can to clean spray guns.

DANGER: Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Harmful if inhaled. Causes serious eye irritation. Causes skin irritation. May cause drowsiness or dizziness. May cause genetic defects. May cause cancer. Suspected of damaging fertility or the unborn child. Causes damage to organs.
