Cotton Tack Cloths

For a mirror-smooth finish on the most critical paint jobs, insist on Gerson Tack Cloths. They pick up and hold all dust, dirt, lint and sanding residue, providing a perfect, blemish-free finish.

Gerson Tack Cloths are manufactured with proprietary formulations of the finest heat-set resins to assure complete removal of particulates without leaving harmful residue. Automated production assures the highest levels of uniformity and consistency.

Used and approved by leading manufacturers of automobiles, furniture, aircraft, boats, appliances and electronics, Gerson Tack Cloths are the World's largest selling brand.

Gerson® Quality Cotton Tack Cloths

Four Cloth Meshes (threads per inch)
Economy: 20 x 12, Standard: 20 x 16,
