

AG47™ Lightweight GRIP Filler is formulated with a proprietary resin blend for maximum adhesion, sanding and performance. Z-TEK™ Adhesion Booster maximizes bonds to bare steel, galvanized metals and aluminum. And INVISX™ Micro-Perfecting Surface Technology provides a smooth, pinhole free finish.

Taking GRIP Fillers to a New Level

*Better Flow, Faster Cure and Better Sanding than Leading Competitive Grip Fillers**

- Achieve ultra-smooth flow and excellent wetting for a smoother surface, with AG47's advanced resins
- Save time and eliminate pinholes with INVISX™ Micro-Perfecting Surface Technology
- Reduce cycle time and sandpaper use with AG47's non-loading, fast curing formula
- Z-TEK™ Adhesion Booster maximizes GRIP to all metals, especially galvanized steel
- Improve profits with AG47's Everyday Low Price
