GOLD PRO Paperbacked Abrasives

Delivering Value and Performance

When value is critical, choose USC Abrasives GOLD PRO – the quality paperbacked abrasives that deliver fast, effective results at a great overall value. GOLD PRO’s multi-layer construction combines sharp, precise grains with ultra-durable backing and a specialized coating to consistently achieve the fast, uniform finish body shops want. And customers demand.

- **Special anti-clog coating** extends product performance
- **Premium, resin-over-resin bonded grains** efficiently deliver fast, smooth results
- **Durable latex paper** lasts longer and is ideal for wet and dry sanding
- **Available in PSA and hook & loop**
